

ORANZ

Offroad Association of New Zealand Incorporated

Recreational Vehicle Rules

1. A non ORANZ registered vehicle may participate at an ORANZ permitted Club Day – Short Course or sprint event only by purchasing a Recreational Vehicle Day Pass. **Recreational vehicles shall not be permitted to enter an Enduro or any Titled or National Championship events. Recreational vehicles must never be on a track with competing registered race vehicles. Drivers must enter with the understanding that they are not racing/competing in any capacity.**

2, Recreational vehicles are categorised into two categories.

a) A four wheel, one, two or 4 seat UTV production vehicle with no engine or gearbox performance enhancements. The manufacturers safety features must not have been compromised in anyway. The owner/driver must sign the documentation declaring this. Any performance modifications must be equally met with Safety features approved by the CTO or club tagging official.eg a strengthened roll cage

b) A space frame offroad vehicle of a recognised built/design like the vehicles being currently tagged for Offroad racing. – NO beach buggies, farm hacks, 4wd or road cars with roll hoops etc

3, The host club and or any club or ORANZ official reserves the right to refuse any vehicle for a Recreational Vehicle Day Pass if they feel it does not comply or it is unsafe.

4, All Drivers and passengers must attend a “drivers briefing” and follow the instructions of officials at all times.

5, **A pre-event Vehicle Inspection Sheet and all relevant indemnity forms** must be filled out and signed by the owner/driver. Passengers must sign indemnity forms. Personal Safety gear as listed on the Pre- event inspection sheet must be always worn by all drivers and passengers on any track.

(iii) A maximum of 2 club day Recreational Vehicle Day passes per vehicle maybe issued per year and shall be issued in conjunction with a Driver Day licence.

(iv) The fee for a Club Day Recreational Vehicle pass shall be the same as the fee set for a day licence. **I.E. The fee for a Club Day Recreational Vehicle Day Pass and Club Day Driver Licence shall be, the Club Day Driver Licence Fee X 2**

(v) **No express or implied warranty of safety shall result from any inspection or information offered.**

NOTES

- All Clubs must keep a signed copy of all Driver Day licenses and Recreational Vehicle Day passes they have issued. A copy must be sent to ORANZ at the time or within 5 days of issue by electronic media in accordance with Current Oranz requirements.

- These Recreational Vehicle rules are open to editing without notice throughout the 2025 and 2026 season.
